David Martin Reznik, DDS

Dr. Reznik is the Managing Partner of Dental Transition Advisors, LLC, and he has been handling dental transitions, associateships and partnerships for over 20 years. He is called a “business dentist” because he was degreed in business before he was schooled in dentistry. He applied his business education in sales and management at the 3M Company before attending Indiana University Dental School.

He applied these real-world business principles in private practice in Indianapolis and taught these methods at dental schools throughout the United States – including Emory University Dental School where he taught Practice Administration and managed the Emory Faculty Practice.

Dr. Reznik’s collective experience eventually led him to direct the professional operations of a multi-discipline group practice – with 18 offices, 56 dentists, 310 Team members and annual revenues exceeding \$25 million.

Dr. Reznik has been a speaker at most national and international dental meetings including the AAE, Texas, California, Hinman, and Masters of Dentistry in Australia. He is a member of the Academy of Dental Management Consultants, The National Speakers Association, American Dental Association, Dental Advisory Network, and Director of Spotlight On Speaking for the Speaking Consulting Network. He holds Certificates from Dale Carnegie, The 3M Management Center, Pankey, Quest, and the Dental Dynamics Institute.

Believer it or not, there are *three* “Dr. Rezniks” in the Atlanta area, and he is not related to the other two. So check your addresses carefully and note that his middle name is Martin!
